Breast Cancer Awareness Event

Sherman Medical Center and Women Rock Inc. invite you to join us for our annual Brake4Breakfast Breast Cancer Awareness Event.

 Friday, October 16  6:30–8:30 AM

Start your morning with breakfast on us while enjoying music, helpful breast-health education, and the opportunity to connect with Women Rock Inc. onsite. We are also working on special mammogram and health-testing promotions, plus additional activities and resources to support women throughout our community. More details will be announced soon. Mark your calendar and follow Sherman Medical Center for updates! 

TXDOT Updates

Officials announced that work on the US 75 project is set to begin October 5, with the setting of project limit barricades, weather permitting. The project will widen the four-lane roadway to six-lane-divided from FM 902 to FM 1417. The project will include three new bridge structures; U-Turn bridges at FM 1417, and a braided ramp north of FM 1417. The work will reconstruct the mainlane bridges at Choctaw Creek and the BNSF railroad crossing.

While this project is underway, motorists are asked to pay special attention to all barricades, traffic controls and signs, and to reduce their speed as they approach and travel through work zones.

NB 75 frontage road between Loy Lake Rd and FM 691 - Long term full closure until February 2027.

SB 75 frontage road between FM 691 and Loy Lake Rd - Long term full closure until June 2027.

EB/WB lanes of Lamberth Dr - Closed until September 2026.

SB Entrance Ramp from US 82 to US 75 - **CLOSED**
